**Nicklaus North Golf Course Introduces: The Cabin**

Whistler, BC, April 9, 2020 - Nicklaus North Golf Course introduces “The Cabin”, opening early May, 2020. This new game changing 1,500 square foot building at the practice facility is a powerful new addition to the Nicklaus North Golf Course and Whistler area. Director of Instruction Graham Kehoe and Nicklaus North have entered into this joint venture. Graham is the driving force in making The Cabin a reality.

“The Cabin will help break down some macro issues facing the game and aligns with the Nicklaus North strategic plan on several fronts. It will play a key role in retention of PGA of Canada Golf Professionals, significantly improve golfer satisfaction with year-round offerings and modern technology, and provide desired privacy with two separate inside areas,” says Jason Lowe, General Manager at Nicklaus North.

The generous fourteen-foot bay doors open so golfers can see the ball flight in summer and close the doors in winter to use a retractable impact screen. Practice and instruction time will utilize state of the art technology including Trackman 4 and Flightscope X3. Technology is critical for effective golf instruction. It can also help golfers better understand practice habits and simply let users enjoy playing indoors in the growing segment of simulator play. The PGA of Canada professionals at Nicklaus North will offer a full matrix of club fittings from TaylorMade, Ping and Callaway. The instruction offerings will be guided by Graham Kehoe and Club Fitter of the Year Andrew Smart.

Nicklaus North has underlined its long-term commitment to growing the game of golf with this venture. Just minutes from the resort village of Whistler, British Columbia, Nicklaus North stands out as one of the great courses in North America. This is the setting that inspired the great Jack Nicklaus to create a golf course as unique as himself. This par 71, 18-hole course winds along a gentle valley floor offering you a spectacular setting as your golfing skills are tested to the fullest. Winner of numerous awards since its opening in 1996, Nicklaus North has played host to events such as the Skins Game and the Shell's Wonderful World of Golf, welcoming some of golf's biggest names such as Jack Nicklaus, Nick Faldo, Ernie Els, Greg Norman, Fred Couples, John Daly, Vijay Singh and Stephen Ames to name a few.
